

KASTNER PYROTECHNICS

FIREWORKS WHOLESALE & IMPORTS LLC

1.4G CONSUMER FIREWORKS WHOLESALE PRICE LIST 2024

TERMS OF SALE FOR WHOLESALE PURCHASES

Kastner Pyrotechnics Fireworks Wholesale & Imports LLC is a direct fireworks importer and wholesaler. We sell three different types of fireworks: 1.4g Consumer, 1.4g PRO, and 1.3g Professional. Please read the requirements and terms and conditions of sale for each type of fireworks. 1.4g PRO and 1.3g Professional require additional licenses and/or certifications and training.

1.3g Professional Sale Requirements

A current and valid BATFE/Federal Explosives License is required for all 1.3g professional fireworks purchases. A copy of the license and related paperwork must be submitted and on file with Kastner Pyrotechnics before any 1.3g orders can be placed.

1.4g PRO Sale Requirements

1.4g PRO products are different from 1.4g consumer fireworks. 1.4g PRO products are labeled for professional use only and requires additional training, advanced pyrotechnics experience, and certifications and most products require use of an electronic firing system.

1.4g PRO products are NOT intended for consumer use or retail sales. It is unlawful for authorized buyers of 1.4g PRO products to transfer 1.4g PRO items to other unauthorized individuals.

A BATFE license is not required to purchase 1.4g PRO products, however, a current BATFE license is one way to meet the eligibility requirements. Other accepted forms of training and competency include: PGI Display Operator Certification, State issued Display Operators/Shooters License, APA Training Certificate, a state issued fireworks importer, exporter or distributor license, or proof of employment/experience/training with a professional and reputable fireworks display company.

1.4g Consumer Sale Requirements

1.4g consumer wholesale purchases are available to resellers as well as private individuals/consumers. Buyer must be 18 years of age or older to purchase 1.4g consumer fireworks.

TERMS OF SALE FOR ALL PURCHASES

- All sales are final. No returns or refunds.
- All products are sold as full case quantities only, unless otherwise specified for certain items.
- All prices and product availability are subject to change at any time with or without notice. Kastner Pyrotechnics reserves the right to limit quantities and refuse sale for any reason.
- All orders must be placed in advance either by email or phone. Orders will be processed in the order they are received. As a seasonal business, order confirmation time varies greatly throughout the year, so please plan accordingly.
- A 50% non-refundable deposit is required to hold/reserve any inventory. Fireworks are a seasonal product with limited availability. When we reserve items for a buyer, that inventory is taken out of our available inventory and is not available for others to purchase. Any cancelled orders will forfeit the deposit.

- Wholesale fireworks pricing has three tiers. Price C is for orders \$500-\$1000. Price B is for orders totaling \$1001-\$2000. Price A is for orders totaling over \$2000. Total order is figured before any taxes or fees. Equipment and firing systems do not count towards the tiered pricing. Figure your order according to your budget. For example, if you intend to purchase \$1500 worth of fireworks, figure your order using Price B.
- Quantities contained in each case is indicated under the packing column on the price list. Packing shows how many interior units are inside each case. For example, 4/1 packing shows that there are 4 of one kind of cake inside that case--so you get 4 of the same cakes for the price listed. Packing 1/1 means there is just one item in that case, 2/1 means there are two of one item, etc. If the packing shows 1/4, it means that the case contains one each of 4 different kinds of cakes--4 cakes total. If packing shows 4/4, it means that there are 4 each of 4 different kinds of cakes--for a total of 16 cakes. Artillery shell packing may show 4/24 which means there are 4 retail boxes inside the case, with 24 shells inside each case for a total of 98 shells. Some items may break down packing even further, such as firecrackers packed 12/80/16. In this example, there are 12 bricks of firecrackers in the case. Each brick contains 80 packs of firecrackers and each pack is made up of 16 firecrackers.

Order Pick Up

- All orders are pick up only at our SW Wisconsin warehouse. We are not shipping orders at this time. The warehouse address for all order picks ups is: 938 Log Town Rd. Mineral Point, WI 53565
- An appointment is required for all wholesale orders. No drop-ins allowed. Orders must be confirmed and finalized by Kastner Pyrotechnics before a pick-up date and time can be scheduled. A minimum of 48 hours notice is required to request a pick-up time, which can take longer during certain times of the year. More time is always appreciated and may be necessary. Appointment times can fill up quickly and may not be available every day of the week. We cannot guarantee availability. Please plan accordingly.
- Once an order has been finalized and an appointment date and time has been set, Kastner Pyrotechnics will prepare and pull the order so it is ready for pick up. Once an order has been pulled, any changes to the order or cancellations are subject to a 10% restocking fee. Restocking fees are separate and are charged in addition to any deposits paid to reserve inventory.

Payment

- Payment is due **in full** before any product will be released for pick up or shipping. This also means that your chosen payment type must clear our bank before we can let any product leave our warehouse.
- We accept cash, cashier's check, money order, wire transfer or credit card (Visa, Mastercard, Discover). Please note that there is a 3.5% credit card fee for those who choose to pay with credit or debit card. The owner of the credit/debit card must be present upon pick-up and will be confirmed with a government issued photo ID. Personal or business checks are only accepted on a pre-approved basis and require advance payment in order to clear the bank. It can take as long as two weeks from the date that we receive the check to clear the bank.
- The buyer is responsible for any fees associated with their purchase, including, but not limited to any credit card fees, returned check fees, money wire fees, etc.
- Payments can be mailed to our mailing address: Kastner Pyrotechnics LLC, 3036 Snowcap Trl. Madison, WI 53719. Please notify us of any mailed payments. We highly recommend using a mail service that provides a tracking number.

All orders will be charged 5.5% Wisconsin sales tax. If you have a reseller's certificate, you may submit a completed Wisconsin Sales and Use Tax Exemption form. Please let us know in advance if you plan to submit the form. We must have the completed form before pick-up and final payment. We are unable to refund sales tax once it has been charged.

Buyer's Responsibility of Safe Use and Compliance With Laws

- The buyer understands that all fireworks are considered hazardous materials and assumes all risks regarding their use, transportation, and storage and is solely responsible for their safe use.
- The buyer is solely responsible for obtaining information on & complying with laws and/or ordinances in area of destination where the fireworks used/stored. Buyer is responsible for obtaining permits and/or licenses, state and/or local, required for the possession, transportation, storage, sale and/or use of fireworks in the buyer's state, county, city and/or other municipality.
- All products are sold by Kastner Pyrotechnics on the representation of the buyer that the merchandise will be used strictly in accordance with the laws of the state, county, and city of destination.
